

CD	Mission Statement
Antrim	Antrim Conservation District Promotes the Exploration and Conservation of our Natural Resources.
Clare	"As a local unit of Government, we have the capacity to bring diverse groups together to solve local resource problems. We will protect watersheds along with conserving and reforesting open spaces. We will encourage stewardship responsibilities of landowners, and are the prime local source of environmental education."
Delta	The mission of the Delta Conservation District is to assist all county residents with information, education, and technical services in all aspects of natural resource and/or environmental issues, specializing in local assistance to non-industrial private landowners.
Eaton	The mission of the Eaton Conservation District is to promote and encourage cooperation with other individuals, groups, organizations, or agencies in an organized effort to conserve and improve the natural resources in Eaton County.
Grand Traverse	"The Grand Traverse Conservation District inspires exploration, appreciation and conservation of our natural world."
Houghton/ Keweenaw	The District will advise and assist the people of Houghton and Keweenaw Counties to wisely manage and use our natural resources through education, information, and technical assistance
Ingham	The Ingham Conservation District promotes and practices stewardship of our natural resources by providing personalized assistance and guidance to meet local concerns.
Ionia	"The primary responsibility of the Ionia Conservation District is to protect our natural resources. It will encourage the use of land or water within the limits of its capabilities, and encourage the treatment of each acre with the proper protection and improvement it may need. The District will acquaint the communities it serves with the importance of soil and water conservation, plus assist it's residence with conservation concerns."
Montmorency	To provide leadership, information and technical assistance for the people of Montmorency County to encourage stewardship and sustainable use of all Natural Resources.
Newaygo	To provide guidance and leadership in conserving, maintaining, and improving the natural resources of our Newaygo County.
Van Buren	"The mission of the Van Buren Conservation District is to promote the conservation of natural resources through partnerships, by providing public education, demonstrations and technical assistance, while working together for future generations".
Monroe	To provide assistance in the wise management of soil, water and related natural resources by offering technical assistance and information
Crawford- Roscommon	The Crawford-Roscommon Conservation District is a locally elected entity of state government, whose purpose is to improve the quality of life in Crawford and Roscommon Counties by conserving and improving our natural resources for the benefit of present and future residents and visitors."
Presque Isle	A local county organization leading the coordination efforts to plan, protect and enhance the use of our natural resources
