Silent Auction Rules

Bidding

Each silent auction item has a bid sheet in front of it, with a minimum starting bid listed on the top line. Bid increments are also indicated. Silent auction bids must follow the rules on each bid sheet (i.e., the minimum bid and minimum increment for each following bid stated on the bid sheet must be followed).

All bids must be for an even dollar amount. Any bids showing cents will be rounded up to the next even dollar amount.

Enter your bid by **PRINTING** your name and agency (CD, MDA, NRCS, etc) on the first available line of the bid sheet. Any name that is illegible will not be counted as a bid for the item.

Bid sheets cannot be removed from their designated places except by authorized persons at the closing of each segment.

Bidding closes promptly at 8 p.m. on Thursday, December 19, 2009. Any bids placed after this time will be invalid. The highest bid at the close of the auction, 8 p.m., will constitute the winning bid. In the event of a dispute, one of the MACDE representatives shall act as the final authority and shall determine the winning bidders. His/her decisions shall be final. The determination of the ~~last bid~~ is at the sole discretion of MACDE.

Bidders are responsible for paying for all auction items which they win- no exceptions.

All bids must include: a bid amount that conforms to at least the minimum bid increment indicated on the bid sheet, the bidder's name and the bidder's agency . Bids placed without this information will be invalid.

Payment

Before leaving convention, please check to see if your bidder number/name is on the MACDE ~~Winning Bidder Boards~~ with an indication that you have "won" an item. If your bidder number/name is listed proceed to the registration area where you will be able to make your payment and receive your item in exchange.

Payments may be made immediately by cash or check (made payable to MACDE). Payment must be made in full upon picking up item.
